This is more than inner peace, this thinking is the seed that forms our ability to progress in freedom, to evolve with confidence and to know that we have everything we need already within us to do what we came here to do.

In understanding how the flow from natural to spiritual works we can see the pattern. Remember 'Water', 'Fire', 'Air' and 'Earth' is the pattern of new life. I like this diagram as it helps Us to focus. -AAY-

The brain and the heart working together in logic and feeling. This is needed to bring your "being" into a wholesome holistic relationship. It's not a forced oneness when you see true oneness from logic/feeling and discontinue the rebellion against the human experience. Stop the mind from thinking twinty and you'll find peace.

Among them are Hymenaeus and Alexander, **whom I have handed over to Satan to be taught not to blaspheme.**
